# Duet suspension

*Design by Nicolò Zavagno & irregolare*

Sospensione realizzata in vetro soffiato con sfera cromo metallizzata e diffusore opalino. Design essenziale dove le trasparenze e le specchiature danno carattere, ideale per illuminare uno sopra tavola.

*Duet suspension is a blown glass lamp with a chrome sphere and an opaline diffuser. Its minimal design with transparent and mirrored glass make it a unique pendant feature especially above a dining table.*
