Rail arredo bagno

Design by Nicolò Zavagno & irregolare

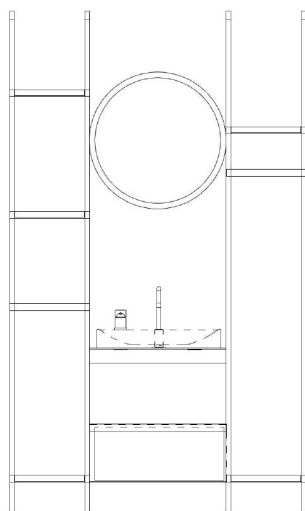

Rail è un arredo bagno modulabile e totalmente fatto su misura. Struttura composta da mensole e montati in metallo.

Lo specchio è di forma rotonda ed ha una fascia in vetro opalina con retro illuminazione a Led

Rail is a completaly custom made furniture. The body of the structure and shelves are in metal with a special finishing.

The round mirror has an opal glass band and is backlighted.
